AUTHORITY**

AEC

Australian Electoral Commission

Need help with your Civics and Citizenship program? Does your school hold elections?

**Come along to this FREE professional learning workshop
for Stage 5 Commerce & Stage 6 Legal Studies teachers
at the NSW Parliament on Tuesday 4 December:**

- Participate in the AEC's *Voting in the classroom* workshop and gain the confidence to run an election and learn how to use AEC education resources in your classroom;
- Ensure you are well-informed about Australia's federal electoral system and parliamentary democracy so you can share your knowledge with students;
- Visit the Legislative Chambers and find out about school tours, role plays and educational resources for Stage 5 & 6 students at the NSW Parliament;
- Refreshments included.

In this workshop you will develop practical skills in teaching electoral education and learn about State Parliament, as part of the Australian Curriculum in Civics and Citizenship.

You will see how easy it is to plan and run an election, count votes, plan an excursion to parliament house and importantly, it will help you develop students' knowledge, decision making skills and motivation to participate in our democracy.

Completing *Voting in the classroom* will contribute 2 hours of QTC Registered PL addressing 2.1.2, 3.2.2 and 6.2.2 standard descriptors from the Australian Professional Standards for Teachers towards maintaining Proficient Teacher Accreditation in NSW

**When: 10:00 am - 2:00 pm
Tuesday 4th December 2018**

**Where: NSW Parliament
Macquarie Street, Sydney**

To ensure your place please **RSVP by 16th November 2018**
to dps.education@parliament.nsw.gov.au
